Chapman Records Number Seven

Mount Croghan resident Charles Chapman, 26 years of age, experienced an exciting moment recently in golf. On June 14, 2010, while playing a round of golf at Moree's Cheraw Country Club he recorded a hole-in-one. Charles, who has been playing golf since the age of 11, aced the 195 yard Hole No. 4 using a 5 wood. This was his **seventh** career hole-in-one. According to a recent Charlotte Observer article, the odds of making a hole-in-one are approximately 12,000 to 1 for average golfers and 5,000 to 1 for low-handicap players. Congratulations Charles!

Mount Croghan Service Station

The Mount Croghan Service Station, located on Hwy 9, opened its garage doors June 2007 and has been busy ever since. Owner Dennis Penny has been in the business of car repair for over 15 years and enjoys the work he does. His services are not limited to the typical tune-up; his station offers all engine repair, preventative maintenance, and tire changes. You'll also find that ATV's, lawn mowers, and water craft are able to be serviced here in Mount Croghan. Hours of operation are Monday thru Friday 9:00am to 5:30pm and Saturdays by appointment only. Mr. Penny welcomes any questions and can be reached at 931-237-8056.
