SPRING CLEANUP 2013

Mount Croghan residents spent March 30 clearing trash from the town streets. Volunteers met on the museum grounds at 9:00 am and spent the morning making Mount Croghan a more pleasant place to live. The day continued with an egg hunt in River's Park which was hosted by the town. All children who participated went home with their baskets full of goodies! It is important to remember that a beautiful day and dedicated volunteers can make a big difference!

FROM THE TOWN

The Town of Mount Croghan would like to extend a word of thanks to Billy and Phyllis Gibson for the donation of playground equipment. Your kindness is very much appreciated!

FROM THE MAYOR

We have received many complaints about speeding in Town. To address this problem, the county Sheriff's Department will be posting random speed signs throughout Town. The deputies also plan to be visible in the area as much as possible. *Kevin Griggs—Mayor*

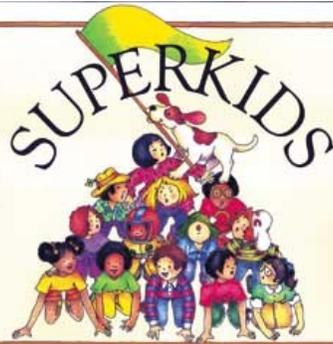

DOUGLAS MACHINE SHOP

Kenny Douglas of Douglas Machine Shop was recently named Economic Development Ambassador for Chesterfield county by the Economic Alliance Board. Consisting of 16 members the board nominated and voted in Mr. Douglas based on his experience and ability in bringing in manufacturing companies to Chesterfield county. As Economic Development Ambassador Mr. Douglas and the Economic Alliance Board will continue to work to interest manufacturing companies to come into Chesterfield county and offer employment. Douglas Machine Shop is located on Hwy 9 in Mount Croghan and has been incorporated since 1978. *Beth Leonard*

CELEBRATE OUR KIDS

Kids and their achievements are often overlooked when the hustle and bustle of everyday life gets everyone busy. We would like to make this newsletter available to residents who want to put the spotlight on the achievements made by their children. As a town it would be beneficial to the children to share in their accomplishments and vocalize our pride in what they are able to achieve. Positive reinforcement is a grand thing, especially to a child. Please contact me, Beth Leonard, at 634-3532 to share the achievements of your awesome kids; we look forward to it! *Beth Leonard*

SAD EVENTS

River's Park has recently been the location for vandalism. Please remember that this is a crime regardless of age and it is at the height of irresponsible behavior. All residents should remain diligent and notify the proper authorities if they are witness to any property destruction. *Beth Leonard*
